## CITY WILL ASK U.S. AID TO CONTINUE SERVICES IN CODORNICES VILLAGE

The City Council on Monday night unanimously authorized Edna S. Howell, Superintendent of Recreation, to go to Washington, D.C., next week to plead for additional federal funds to continue the operation of police, fire and recreational services in the Codornices Village Federal Housing Project. Plans for Howell's trip were completed at the council meeting on recommendation of Councilmen Frank Hays and Lawrence Williams. As Mayor Graeber pointed out, Howell has been executive secretary and sponsor's agent for the City of Albany during the war years and has represented the city in all federal and state negotiations for funds affecting municipal departments.

Councilman Lawrence Williams stated that on previous occasions, Howell has been successful in presenting Albany's case for federal funds and in his opinion it is essential that Albany be represented on the ground by its Superintendent of Recreation who is thoroughly trained and familiar with government proceedings and hearings.

Mayor Graeber pointed out that the government has been contributing financially to the operation of the police and fire departments and with the discontinuance of these funds, the city would be in a serious financial condition as it is obvious that the housing project will remain intact for some time until adequate housing can be found.

## Friends Mourn Death Of Oscar G. Scheik In Santa Cruz Home

Sad news came from Santa Cruz this week with word of the passing on January 28 of Oscar G. Scheik, pioneer Albany restaurateur and charter member of the Exchange Club. Mr. Scheik came to Albany 20 years ago and opened the Palm Garden restaurant, which became a favorite meeting spot for local clubs and fraternal organizations. He retired recently and took up residence in Santa Cruz.

Scheik was 71 at the time of his death and is survived by his wife, Addie, and a step-daughter, Mrs. Mildred Edis of San Francisco.

Private services were held in Santa Cruz.

## Albany Jewelers Offer Free Loan of Cards For Club Parties

Realizing the difficulty often faced by churches, clubs and other organizations in securing enough playing cards for parties, H. F. Call, owner of the Albany Jewelers, has secured 200 decks of beautifully designed washable plastic cards which are now available for free loan to any organization desiring them.

The cards are kept at the Albany Jewelers, 850 San Pablo Ave., and Call urges all who are planning card parties to make free use of this new service.

## Sharp-Shooting Pair Demonstrate Ability For Soroptimists

Mrs. Betty Williams, the pistol packin' wife of Albany's straight-shooting Police Chief Stanley C. Williams, teamed up with him Wednesday at the Soroptimists Club meeting to put on an exhibition of the type of shooting which has won her over fifty medals and twenty-eight trophies in shooting matches against the country's crack pistol shots.

Wednesday's meeting was novel in that each member was required to bring as a guest a business competitor. Those appearing without a guest were required to pay a fine.

The Albany Soroptimists have "adopted" Holland and are sending many fine packages of food and clothing to that war ravaged country.

## Albany Legion To Supply Color Guard For Opening Of New Oakland Post

Led by Russel Rothschild, junior past commander, Albany Post 292 American Legion, will supply a uniformed color guard at presentation of national and post colors by executives of the Pacific Gas and Electric Company to mark the formal establishment of John K. Evans Post No. 733, American Legion, tonight at 8:30 in the Oakland Memorial Building.

Named for a P. G. and E. employee who lost his life at Guadalupe on January 15, 1943, the new Legion post has been organized by and for company employees in the East Bay region who are veterans of either World War. There are 75 charter members.

The charter will be presented by

## Bus Service West Of San Pablo Begins Feb. 16

Mrs. Jewel Duborff, 710 Solano Ave., realized victory in a long, hard campaign when the City Council made an announcement Monday night that the Key System would extend bus service west of San Pablo Ave., starting February 16.

The new route will begin at the present terminus of the 88 bus at Solano and San Pablo and follow Solano to Jackson street, south to Buchanan, west to Cleveland, north to Solano, east to Pierce, south to Buchanan, east to Jackson and north to Solano and return east again to San Pablo.

Mrs. Duborff was the original petitioner for transportation west of San Pablo and enlisted the aid of other residents, City Attorney George Glavinovich, and other city officials.

women enjoyed skiing, tobogganing, and free-for-all snow fights. The entire group took dinner at the Rainbow Tavern. In charge of the party was Elmer F. Coble, Mrs. Arlee Pollard and George Chessum.

## Harris Vogue Shop Close-Out Sale

The Harris Vogue Shop, located at Shattuck and Center, Berkeley, announces a final close-out sale, today and Saturday, of 64 women's suits, all drastically reduced to clear their stock. Further information may be found on page 2.

## Annual Report Shows All-Time High In City Court Business

The annual report for 1946 by the City Court, issued this week by Judge Louis J. Hardie, indicated the greatest volume of business ever transacted by the court. The past year exceeded 1945 by 1057 more cases filed and the sum of \$9551.50 collected in fines, forfeitures and fees.

The total number of cases tried came to 3192 and brought a revenue of \$36,050.50. Of this sum, \$1,247.50 was paid into the treasury of Alameda County as its share of revenue derived through vehicle code violations for arrests made by California Highway Patrol officers.

Even with the increase in court business only one jury was called in 1946, and in that case the defendant did not appear and his bail was declared forfeited.

"We live in a law abiding community for which every citizen should be truly grateful," Judge Hardie stated. "Felony cases before the court have rarely exceeded one

## SCOUTS SET FOR FEB. 8 EXPOSITION

Plans for the big Scout and Cub Exposition to be held in the Marin School auditorium February 8 are nearing completion, according to an announcement by Lloyd Hogan, chairman of the Activities Committee. The exhibits being prepared will reflect many hours of work by the boys and their leaders and will portray many phases of the fine work the Boy Scout organization is doing in molding good citizens from the youth of Albany.

The giant program arranged by local Scouts and Cubs will coincide with other activities of Scout Week February 7 to 13. With the theme "Scouts of the World Building for Tomorrow" as their slogan, Scouts and Cubs of every community in America and 51 other countries will conduct a full week of activities in observation of the 37th anniversary of the founding of the Boy Scout movement.

Personal invitations to the Scouts' exhibition will be extended to all residents of Albany by crews of Scouts and Cubs assigned to all areas of the city, according to a plan to insure complete coverage (Continued on page five)

## Predict New Rise In Lunch Prices At City Schools

The Albany City Schools have been advised by the California State Department of Education that the federal funds, now held by the state department for reimbursement of student lunches, will be exhausted by the end of February. This means that the school cafeterias throughout California will no longer receive federal subsidies of 9 cents per pupil plate lunch and 2 cents per half pint of milk sold separately from the plate lunch, unless additional federal appropriations are made to California. It necessarily follows that since the school cafeterias are presently running on a non-profit basis, an increase in costs or a readjustment of menus now provided, will be made necessary if these existing federal subsidies are to be discontinued.

The program incorporating the federal subsidies for elementary and high school lunches was placed on a permanent basis by the National School Lunch Act of June, 1946. This act provided that Congress should furnish sufficient money for the operation of the program to all eligible schools. The State Department of California, is accordingly requesting sufficient additional funds to complete the granting of subsidies for the current year.

per month each year. The police department has handled more cases than that but they have not reached the court, having been matters which belong to other courts and for other reasons, such as juvenile matters."

the Auditing and Finance Committee, informed the council that he felt it was the federal responsibility, and if the city is going to balance the budget based on its present personnel, it must be given immediate consideration by the federal government and that funds must be made available.

Councilman Hill stated, "It is my understanding that in the interest of public health and safety we must secure additional federal aid either through in lieu of taxes, outright grant of funds, or the housing authority should be allocated sufficient money to negotiate with the city for police, fire and other services necessary in the interest of tenants residing in the village."

Registration of new students in classes of the Albany Schools for the spring semester, starting Monday, February 3rd, will be as follows:

**Albany Schools Announce Dates For Enrollment**  
Registration of new students in classes of the Albany Schools for the spring semester, starting Monday, February 3rd, will be as follows:

Marin and Cornell elementary schools. New kindergarten children, Monday morning, February 3, from 8:30 to 12 in the kindergarten room of these schools. Other new students, grades 1 to 7, Monday morning from 8:30 to 12 in the office of the principal.

Codornices elementary school. Advance registration was held on Thursday, January 30. New students who did not register on Thursday may do so on Monday morning, Feb. 3, from 9 to 12 in the office of the principal.

Albany High School. All new students, grades 8 to 12, are to register in the High School Cafeteria, Monday morning at 8:25.

Attention is called to the following: California state law provides that no child may be accepted for enrollment in kindergarten at this time who will not be at least 4 years 6 months of age on or before Feb. 1, 1947; and no child may be accepted for enrollment in the first grade who will not be at least 5 years 6 months of age on or before Feb. 1, 1947. Those enrolling children for the first time in the kindergarten or first grade of any Albany school must at time of registration show verification of birth date in the form of a letter, a birth certificate or a baptismal certificate. The sub-district lines of attendance for the three elementary schools of Albany are these: Marin school, all of Albany east of the Santa Fe tracks. Cornell school, that part of Albany west of the Santa Fe tracks, except that section west of San Pablo Avenue and south of Buchanan Street. Codornices school, that part of Albany which is west of San Pablo Avenue and south of Buchanan Street.

## Become a DENTAL NURSE

A vocation offering you a professional career

Arlee Hale, Richmond,  
appointed upon graduation

Dental nursing is exclusively a woman's occupation and offers a place in a profession always needed. You will find dental nurses in dentists' offices, hospitals, dental laboratories, civil service, dental X-ray, clinics and other branches of dentistry. The dental nurse does not compete with men, machinery can never take her place, and she holds a high place in the social and business life of her community. Complete course—only 4 months.

Illustrated catalog mailed upon request.  
Write to Fernie McDevitt, Registrar

(Note—Living quarters available for our student dental nurses. Or you may work for your room, board and car fare if you desire.)

### PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

### P. G. & E. Employees Get Service Badges

Local employees of Pacific Gas and Electric Company received recognition recently for five or more years of service with the presentation of service badges by W. D. Howell, P. G. & E. manager in Berkeley and Albany, on behalf of A. Emory Wishon, vice-president and general manager. Badges are awarded for multiples of five years of service.

"Approximately 60 per cent of the 13,056 employees throughout the P. G. and E. system have served five years or more, and 27 per cent have more than 20 years of service," Howell said. "This exceptional record is an indication of

our employees' satisfaction with their jobs. Stability of employment with capable and satisfied employees, is important in maintaining P. G. and E.'s high standards of service to the public."

5Albany employees who received badges are Miss Elizabeth M. Hansen, 25 years; Hugh MacKellar, 25 years; Edward L. Priest, 25 years; Wallace F. Quinn, 25 years, and Miss Eleanora Leth, 5 years.

## No Need to Increase Your State Gasoline Tax!

**STATE HAS ENOUGH MONEY  
TO BUILD NEW ROADS  
WITHOUT INCREASED TAXES!**

The Oil Industry believes.

California highways must lead the rest of the nation.

New highways must be built.

Our highways must be kept repaired.

**But facts show that it isn't necessary to  
increase your gasoline tax to accomplish  
these objectives.**

READ CAREFULLY:

1. Highway funds now available  
total . . . . . \$140,000,000

2. During the next four years total  
highway revenue from all  
sources will add to the fund \$528,000,000  
This totals . . . . . \$668,000,000

3. Expenditures during this pe-  
riod (repairs, new roads and  
including the projected State  
super highways) will cost an  
estimated . . . . . \$633,000,000

4. This will leave a surplus of . . \$ 35,000,000

In other words, all major improvements in California highways during the next four years will still leave a multimillion-dollar surplus in the highway fund **without raising taxes.**

**The Big Question is:** Why does the State want additional hundreds of millions of dollars of **YOUR MONEY** during the next four years?

How will this money be used?

Before our gasoline sales tax is doubled (or even increased), every citizen in California has a right to know in *detail* where his money is going.

**Right now** a special session of the California legislature is considering this tax increase. There is no time to lose.

Express your views on this important matter. **Write today** to your Assemblyman and State Senator. Address him: State Capitol, Sacramento, California.

**A 3c stamp can save you 3c a gallon for years to come!**

## Western Oil and Gas Association

"There is no apparent reason why the State gasoline tax should be doubled, or even increased. The Western Oil and Gas Association challenges the advocates of higher taxes to refute with detail the facts here presented."

RALPH B. LLOYD, President

## 30 Cornell Students Visit S.F. Aquarium

Thirty pupils of the low seventh class at Cornell School accompanied by their teacher, Miss Bernice Ball, spent Friday, January 24, in San Francisco. The class visited the Steinhart Aquarium, the Academy of Science, African Hall, Japanese Tea Garden, and the De Young Museum.

The trip was especially valuable in that half of the group had not previously visited these places of interest. As one pupil remarked, "I didn't know such things existed."

## Police, Fire Reports For '46 Released

The annual reports of the Albany police and fire departments were read before the City Council recently as part of the summing up of city business during 1946.

Police Chief Stanley Williams' report revealed a total of 517 pa-

trol arrests made in Albany last year and 611 penal code violations reported. Serious crimes reported were listed at 342. Traffic violations took a big jump over previous years with a total of 2869 "invitations to tell it to the judge" issued during the year. Of these, 1559 were for speeding. More than 12,000 gallons of gasoline were used by police officers and the ambulance in covering 106,497 miles during the twelve months.

In making his report, Fire Chief Fred Pimental expressed the appreciation of his department for the cooperation extended by the residents and businessmen of Albany in keeping fire losses down last year.

Albany firemen responded to 199 alarms during the year. Nine of the calls were for the inhalator crew and resulted in saving five lives. Four persons were dead upon arrival of the inhalator crew.

Fire losses amounted to \$28,074 for the year, while valuation of property endangered totalled \$414,329. The loss amounted to \$1.56 per capita and Chief Pimental said he believed it to be the lowest loss recorded in the East Bay.

A slight increase in fire losses in 1946 over 1945 was laid to the housing shortage with its consequent multiple-family dwellings which create an extreme fire hazard.

## This little guy does a BIG JOB here in CALIFORNIA

Young 1947 arrived wearing working togs,  
with his sleeves rolled up. He found a  
muscle-bulging job ahead of him... in  
construction, increased business and indus-  
trial expansion.

He found nearly 9,000,000 residents  
in California, including more than a million  
new workers who came West with the war-  
time growth of industry. They are staying  
in California because industrial expansion  
is continuing. P. G. and E. contributed  
effectively to this continued growth by  
advertising California's opportunities  
nationally and setting up a staff of experts  
to help furnish business and industrial  
firms the facts about locating in this area.

We are going places in the West, and  
P. G. and E., looking to the future, again is  
building ahead of demand. Little Man 1947  
is hard at work for us—on a \$300,000,000  
construction program to serve the growing  
needs of a greater California.
